I recognize that alcohol misuse can cause serious harm, and in some cases, death.

Today, I will join others by pledging to:

- 1. Learn the PUBS signs of alcohol overdose and teach my friends
  - 2. Always use PUBS to assess friends who have too much to drink
    - 3. Call 911 if I see **even one** PUBS sign

Save a Life. Make the Call.

## Alcohol overdose can have any ONE of these four PUBS signs
